

Fellow's Roundtable at the AEP Forum April 5th, 2013

- "I'm more of a founder than a joiner." - Lauren Austin
- "There's a connection between community-based work, school-based work, and research." - Arnold Aprill
- "Leaping tracks has been super productive." - Sarah Cunningham
- "The opportunities present themselves in a non-linear way." - Arnold Aprill
- "How do we compare the box-like jobs with our multiple skill sets and multiple interests?" - Lisa Donovan
- "Everything I've gotten is because I know how to work my skill sets." - Lisa Donovan
- "I'm an inventor and I am an inventor of myself." - Kerrie Bellisario on backward designing yourself.
- "What's your personal mission? ... Be clear about the change you want to make, the end game." - Gigi Antoni
- "Which environment is going to be most useful for your vision?" - Arnold Aprill
- "It is the nature of bureaucracies to prevent their stated function." - Arnold Aprill
- "Dilemma Management ... how are you going to be a change agent?" - Arnold Aprill
- "You've gotta engage in radical compliance." - Arnold Aprill
- "Why is it always STEM to STEAM? We should have our own alphabet/acronym!" - Jessica Mele
- "It's not, ready aim, fire. It's ready, fire, aim. ... You need to have something to learn from." - Arnold Aprill quoting Michael Fullin
- "Look for allies in unsuspected places." - Kerrie Bellisario
- "I was five years out ahead of where I was supposed to be." - Kerrie Bellisario
- "How do I work with where we're at right now while staying true to where I want to go?" - Kerrie Bellisario
- "The biggest challenge is wanting change right away but having to set it up." - Kerrie Bellisario
- "What are the skill sets I lack for this next thing I want to do? Go back and learn them." - Gigi Antoni
- "Get mentors ... not always older ones." - Gigi Antoni
- "Being ahead of the curve is *hard*." - Gigi Antoni
- "Always question your practice." - Arnold Aprill
- "Don't wait for permission to move forward. Always ask for forgiveness." - Lisa Donovan
- "Whose the someone? *We* are the ones." - Lisa Donovan
- "Have a bias for action." - Gigi Antoni
- "...the skill of bringing people along with you." - Gigi Antoni
- "There's an equal if not greater need to understand how to motivate others toward action." - Gigi Antoni
- "Don't just look to your own discipline to learn what you need to do." - Gigi Antoni
- "When we act in silos we have more power." - Gigi Antoni
- "I knew she knew what I needed to know." - Gigi Antoni about Susan Cunningham
- "We still haven't dealt with gender, race, and class." - Arnold Aprill
- "Develop your willingness to tolerate economic instability." - Joe Landon

- “If not now, when? If not me, who?” - Arnold Aprill
- “I am an opportunity pilot.” - Gigi Antoni
- “Our political imagination for arts education isn’t expansive enough.” - Sarah Cunningham
